In

"Convicts with Convictions"

- The inmate made mistakes but the inmate, himself or herself, is NOT a mistake.
- The inmate is no better or no worse than any other human being on the planet.
- The inmate has one of four basic temperament styles that can be leveraged for his or her benefit.
- The inmate will learn to forgive him or her and others.

In

"Convicts with Convictions"

- The inmate will learn HOW to see themselves in from a position of strength and not weakness.
- The inmate will learn personal leadership exercises that will be leveraged throughout all the institutions.
- The inmate will learn simple relationship building techniques to reduce the level of tension with all human interactions.
- Implement a FIRM belief system within the inmate community of self esteem, trust, compassion and leadership.

In "Convicts with Convictions"

- The inmate will know about "mirroring and modeling" and how to influence others for good.
- The inmates will know how powerful P.M.A. can be (Positive Mental Attitude).
- Inmates will learn how to stop thinking from a poverty mindset to one of thinking with an abundance mindset.
- The inmates will learn how to live beyond the expectations of other people in their lives.

In "Convicts with Convictions"

- The inmates will learn basic people skills to succeed in their job hunt once they get out of jail.
- The inmates will learn how to be mentally free while being incarcerated.
- The inmates will learn the power of POSITIVE FOCUS!
- And much more...

THIS IS POSSIBLE!!

**PLEASE HELP ME
IMPLIMENT THIS
PROGRAM FOR THE
BENEFIT OF ALL IN
SOCIETY!**
